Early in 2010, Nutri-farmacy opened a new extension and dimension to its successful natural business model that began in 1997. In a never-ending pursuit to better meet the natural and holistic medical needs of the surrounding community, we are pleased to offer exciting new services to our many loyal patients, customers and patrons.

The new WILDWOOD WELLNESS CENTRE is located on the right side (follow the wooden porch) of the Nutri-farmacy building at 2506 Wildwood Road in Hampton Township. This natural health day spa and clinic is dedicated to expanding your health choices in new areas of treatment.

Listed below are the business cards of the participating practitioners. Each individual is a highly skilled alternative health care professional whose specialty will coincide with the mission statement of our natural medicine pharmacy.

The new phone number of the WELLNESS CENTRE is (412) 486-6263
